

K-LOVE is the only station of its kind that serves our community, its the only station with contemporary music and content that is safe for the entire family to listen to.

The effect of displacing K-LOVE for our community would be devastating, every Christian friend of mine listens to K-LOVE and everyone that I know wishes that it had a stronger signal in San Diego.

The service by K-Love is absolutely in the public interest and serves a vast Christian community in our area.
